HUMAN RESOURCES

Total Employees	Employee Losses	Critical Vacancies
17	0	1

Most employees suffered minor damages to their personal residences. Some damages to roofs, surrounding property and water damage. One employee lost his apartment and vehicles, but is living with relatives and receiving assistance. More than half of them have had the city power restored.

ISSUES THAT AFFECT MISSION ACCOMPLISHMENT

St. Thomas: There are no issues resulting from the hurricanes that are affecting the VI Inspector General's Office from functioning.

- Power has been restored.
- Server and Internet access have been restored.
- Disaster claims have been filed with VITEMA/FEMA and are progressing.
-The only issue is the lack phone service.
